1. The material(s) submitted for testing are being provided solely for analytical quality control, research, or manufacturing verification purposes.

PRODIGY SCIENTIFIC INC.

Analytical Testing Engagement Attestation

2. The submitting organization is the legal owner or authorized custodian of the submitted material(s) and has the legal right to possess and submit such material(s) for analytical testing in the jurisdiction(s) where the material is held.
3. The submitted material(s) are not, to the best of the undersigned's knowledge, a scheduled controlled substance under the U.S. Controlled Substances Act or applicable state law. If any submitted material is or may be subject to state or local scheduling, the undersigned has confirmed lawful authority to submit it for testing.
4. The analytical results and Certificate of Analysis issued by Prodigy Scientific Inc. will not be used as the basis for any consumer-facing label claim, therapeutic claim, regulatory submission, or marketing representation without the express written consent of Prodigy Scientific Inc.
5. The undersigned acknowledges that Prodigy Scientific Inc. provides analytical chemistry services only and does not represent, endorse, or certify the regulatory status, safety, or fitness for human or animal use of any tested material in any jurisdiction.
6. The undersigned organization has its own independent legal and regulatory counsel and is not relying on Prodigy Scientific Inc. for legal, regulatory, or compliance advice in connection with the tested materials or their intended use.
7. The undersigned agrees to promptly notify Prodigy Scientific Inc. in writing of any material change in the intended use, regulatory status, or custodianship of tested materials that would differ from the representations made herein.
